

## **Bank of New Hampshire Corporate Giving Overview**

At Bank of New Hampshire, we have been dedicated to giving back to our communities since 1831. Bank of New Hampshire donates to over 375 eligible organizations throughout the communities we serve. All donations are intended to support programming that strengthens our communities and enhances the lives of our neighbors in impactful ways.

**Our Corporate Giving Focus:** Our goal is to support organizations which contribute to enhance the quality of life in the communities we live and work. Through Bank of New Hampshire's charitable giving, we invest our time, resources and passion in organizations with a commitment to these communities and a track record of positive impact. An emphasis is given to requests from organizations maintaining a financial relationship with Bank of New Hampshire and organizations in which Bank of New Hampshire employees are involved either as a volunteer or board member.

Bank of New Hampshire's Corporate Contributions Committee is comprised of members from the senior management team in addition to the Community Reinvestment Act (CRA) Officer and Marketing.

Grants are awarded quarterly after a thorough review process. All applicants will receive notification of the committee's decision by mail following the meeting.

**Please note: Requests to support operating costs or individuals will automatically be denied.**

Bank of New Hampshire's Corporate Giving Committee will review one request per organization each year. If your organization would like to request funding for multiple projects or events within a year, one request may be submitted outlining all opportunities.
